

# PROTECT YOUR CATS AND DOGS

## DOG TEMPERATURE

Heat stroke in pets is preventable! Keep your pets **SAFE** and **COOL** in this heat!

Help your community and take lost or pets in danger of heat stroke to a shelter!

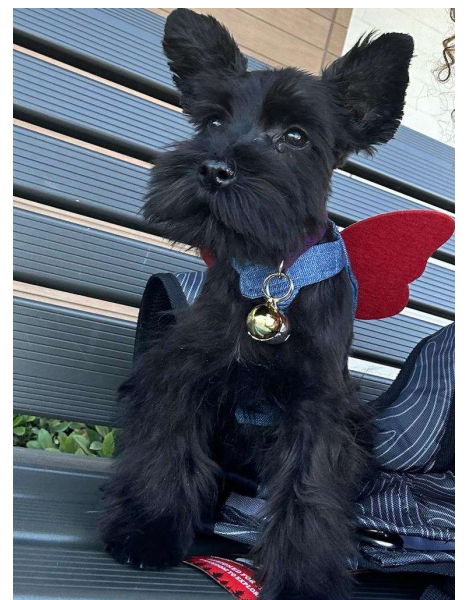

**PETS SHOULD NOT BE KEPT ON PATIOS IN THIS HEAT WITHOUT PROPER WATER OR SHADE.**

**ANY RESIDENTS FOUND IN VIOLATION OF CITY CODE WILL RECEIVE A WRITTEN VIOLATION AND MAY RECEIVE A FINE.**

**YOU WILL ALSO BE REPORTED TO THE CITY FOR ANIMAL WELFARE VIOLATIONS AND MAY HAVE YOUR ANIMAL TAKEN AWAY.**

*Sacramento City Code states:*

*It is unlawful for the owner of any animal to knowingly permit or allow such animal to go without proper food, water, care, shelter, or medical or veterinary attention. (Current code: 9.44.250 Care of Animals; Prior code § 6.04.043)*

## DANGERS OF HEAT STROKE
