

NEWS FOR YOU...

GARBAGE ON OUR STREETS

Wildwood maintenance contractors will no longer clean up the garbage left on the streets from your cans.

You will need to clean up the garbage that has fallen out of your can.

NO MATTER HOW THE GARBAGE FELL OUT OF THE CAN...

CLEAN IT UP... IT DOES NOT MATTER...YOU ARE RESPONSIBLE

PLEASE HELP US ALL...CLEAN UP YOUR GARBAGE!

Set your cans out Sunday after 7:00 pm or EVEN BETTER early Monday

morning before 6:00. Do not place your can on sidewalks directly in front of your neighbors' doors.

DESTRUCTIVE GENIUS

Some of the talented children in the neighborhood have impressed us all by tearing down fences and tearing up trees...their parents must be so proud! Very soon the lucky parents will be able to enjoy video of their child's destructive genius!

GATE PIGGY BACKERS

Gate piggy backers will be experiencing the 1st round of gate violations this week. Some of you are pulling your vehicles on the sidewalk and waiting for someone to open the gate so you can enter. If you are a resident in need of a badge...call 821-7796, let's fix it!

GATE BADGE NOT WORKING?

Some of you with the unscreened tenant situation will find your 'Drive Up' gate badge access no longer works...**DO NOT GO TO PHOENIX PARK** for reactivation. Call the Wildwood Association at 821-7796 to resolve this matter. Phoenix Park has been wonderful help to the surrounding community with respect to issuing badges...but the staff has their own duties to perform. You will need to call 821-7796 to make an appointment to get a gate access badge.

MEGAN'S LAW Website

Check the **MEGAN'S LAW Website** frequently to sustain your awareness of the proximity of convicted sex offenders in and around your neighborhood schools, stores, playgrounds and other locations frequented by your family.

Wildwoods and Brookfield's Children

Some parents do not appear to focus their attention on their children's comings and goings over the course of the day. For example, residents have observed children as young as 2 or 3 years of age, who live in Wildwood. Wondering alone on Brookfield HOA property and in the Phoenix Park Community... alone without an adult!

EFFECTIVE IMMEDIATELY your children must play on the back patio of your unit or you as the parent may accompany your children to the playgrounds and parks available in and around our neighborhood.

Children can no longer play in the Wildwood streets. It is unsafe and again...children are simply not monitored.

There will be zero tolerance for parents who do not monitor their children's safety and behavior.

Homeowners please discuss this with your tenants who have children and make sure they understand. You will be responsible for the tenants' failure to comply.
